The Yamaha Chain of Quality

Yamaha technicians are fully trained and equipped to offer the best service and advice for your Yamaha product. For this reason, Yamaha strongly recommends visiting an official Yamaha dealer for all your service requirements. Yamaha Genuine Parts & Accessories are especially developed, designed and tested for our Yamaha product range. Yamaha also recommends the use of Yamalube® and BYE® helmets*. Yamalube® is our own range of high-tech lubricants, the lifeblood of Yamaha engines. They are developed to carry on working effectively, no matter where you ride. Besides functional and style accessories, Yamaha offers a range of high quality, innovative marine apparel designed to keep you comfortable and safe on the water. An extensive range of casual wear is also available. For more information go to:

www.yamaha-motor-acc.com

yamaha-racing.com

YAMALUBE®

Always wear a helmet, eye protection and protective clothing when riding any type of powered vehicle. Yamaha encourages you to ride safely and respect fellow riders and the environment. All information in this brochure/catalogue is given for general guidance. Specifications and appearance of Yamaha products are subject to change without prior notice. Yamaha does not guarantee the availability of the displayed products in local markets. The product range may be limited in some countries and Yamaha has the right to discontinue products without prior notice. Where applicable, prices of Yamaha products may vary according to local requirements and conditions. Sizes of the apparel displayed are indicative – Yamaha recommends you to visit your local Yamaha dealer for the best fit. For further details and availability, please consult your local Yamaha dealer.

* BYE® helmets are sold in most European countries, available exclusively through Yamaha's official dealer network. Visit www.bychelmets.com.
